

# California Conservation Corps and Certified Community Conservation Corps Corps Consultation Form

## Proposition 1 – Water Bond – Chapter 6

To initiate the Corps Consultation Process, this completed form and all required attachments must be emailed to the California Conservation Corps (CCC) and certified local conservation corps (represented by the California Association of Local Conservation Corps (CALCC)):

California Conservation Corps: [Prop1@ccc.ca.gov](mailto:Prop1@ccc.ca.gov)

California Association of Local Conservation Corps: [Inquiry@Prop1CommunityCorps.org](mailto:Inquiry@Prop1CommunityCorps.org)

Upon completion of the consultation process, both the CCC and CALCC will each send to the Applicant a completed Corps Consultation Review Document to include with the grant application. Please see the Corps Consultation Process for more information. A copy of the process can be requested from the state department administering the grant program.

Except for an exempted project as noted below, this Corps Consultation Form shall be completed by entities applying for funding through Proposition 1, Chapter 6, Protecting Rivers, Lakes, Streams, Coastal Waters and Watersheds. Applications that do not include Corps Consultation Review Documents demonstrating that both Corps have been consulted will be deemed noncompliant and will not be considered for funding.

The Corps have determined that projects that do not include hand labor are exempt from the consultation process and do not need to submit a Corps Consultation Review Document to the administering agency. The Corps must be consulted on all other projects, including planning projects and scientific studies with field work such as baseline studies, invasive plant removal, native plant propagation, mapping, and site maintenance.

1. Is this application solely for planning or acquisition with no field work?
